national coalition for sexual freedom

Consent Social

You can only ask each person one question. Once they've answered, they can stamp that question box on your card (or write their initials on it). Then you go to the next person and ask them a different question. Submit the completed form to win a prize!

Do you ask someone if it's okay before you touch them?	**Do you think current consent implies future consent?**	**Do you know what affirmative consent is?**	**Do you have a safeword?** **What is it?**
Do you have an "exit strategy" if you need to leave a situation?	**Have asked for or given veto power to your partner over your other relationships?**	**Do you know two things that invalidate consent?**	**Do you know how to get Explicit Prior Permission for consent to kink?**
Have you ever verified information about a potential partner?	**Have you disclosed your STI status to someone before they disclosed to you?**	**Have you ever put your relationship agreements in writing?**	**Do you know the definition of "consent" in your State?**
Do you know something that is legal but not ethical?	**Do you know what a "sound mind" is?**	**Have you declined to play or have sex due to alcohol use?**	**Have you taken a consent workshop?**
