- Disclose if you have any marks due to consensual BDSM and state that **YOU ENJOY IT**, **KNOW HOW TO DO IT SAFELY**, and **CAN STOP AT ANY TIME**.

- Provide the vital information about your medical problem(s), not about your kink, sexual or relationship practices.

- Inform your provider that the American Psychiatric Association **does not consider** consensual sadism, masochism, cross-dressing and fetishes to be mental disorders in the DSM-5-TR (2022).
